**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without competition there is no true democracy or freedom in the market there is only a monopoly. I chose my service provider because it was the best service/price compared to the other companies. But, without competition, I'll have really no choice. Please save competition! It is the only ethical, democratic, free market, American thing to do!
